Dear Sir/Ma,

REQUEST FOR PLACEMENT FOR STUDENT'S INDUSTRIAL WORK EXPERIENCE SCHEME (SIWES)

Redeemer's College of Technology and Management (RECTEM) is an NBTE approved institution with the vision to raise champions who will blaze the trail in technological advancements in their respective professions. As part of NBTE criteria, students will be commencing four (4) months Students Industrial Work Experience Scheme (SIWES) 2021.

Students Industrial Work Experience Scheme (SIWES) is the accepted skill training programme which forms part of the approved minimum academic standard to bridge the gap between theory and practice of engineering and technology, science, management and other professional educational programmes.

We therefore humbly request, for placement in your industry/organization/department for _____, National Diploma (ND 1) student in the Department of _____.

We would be most grateful for your acceptance and positive response. Please complete attached form and send it through the student.

Thank you.

Yours Sincerely,

Engr. E.U Orodje.
SIWES Director
